

Haryana France Meeting

**Foreign Cooperation Department,
Govt. of Haryana**

Haryana- France Note

Haryana-France Engagements

July 2016

A four-member delegation led by Ambassador-designate of France to India, Mr. Alexandre Ziegler met the Hon'ble Chief Minister of Haryana, Sh. Manohar Lal in July, 2016 and held discussions in the areas of mutual interest to explore the potential areas of collaboration between Haryana and France. During the meeting, France had evinced keen interest in making investment in Haryana in the areas of new and renewable energy, semi hi-speed train, management of railway stations, food processing and water and waste management. During the meeting, the Hon'ble Chief Minister also highlighted the fact that the famous French architect Le Corbusier had prepared the master plan of Chandigarh and designed the Capitol Complex comprising of the Secretariat building, the Palace of Justice/High Court, the Palace of Assembly and four monuments including the Open Hand monument.

Areas of Further Collaboration between Italy and Haryana

- **France's import of textiles was \$ 8.76 billion for FY 2020.** Haryana is one of the main exporters of Ready-made garments with export reaching **\$1.34 Billion** in FY 20-21. The export textile to France from Haryana is USD 53.06 million in 2020-21. **The bilateral trade in this area may be promoted.**

- There is a large scope of bilateral trade in **Drug Formulations and Pharma products**. France's import for the same is \$ 18.5 billion in 2020. Pharma sector in Haryana is growing at a fast pace. Therefore, trade may be enhanced in this area.
- There is a large scope of bilateral trade in **Medical and Scientific Equipment**. France's import for the same was \$5.1 billion in 2020. Medical sector in Haryana is growing at a fast pace. There is huge scope of collaboration in this segment of products.
- France's Car import was \$ 35.45 Billion in FY 2020 (which is being supplied by Germany (23%), Spain (20%), Slovakia (9.33%), Italy (5.22%)), **Haryana is one of the major exporters of car/ motor vehicles**. The export value of cars from the State is \$467.9 million in FY 2019-20 and \$303.91 million in FY 20-21 (till Feb 21). The State produces **two-thirds of passenger cars, 50% of tractors and 60% of motorcycles manufactured in the country**.
- France's import of Vehicle parts was \$ 12.66 Billion for FY 2020 (being supplied by Germany (20%), Spain (13%), Italy (9%), Belgium (9%), China(4%)). Haryana has a strong ancillary base for **Auto parts and its export from Haryana was \$602 million in FY 19-20 and \$547 in FY 20-21** (till Feb 21). Both Regions can collaborate to increase bilateral trade in Automobile Parts Segment.
- **France is known as Fashion Technology in the world. Collaboration between NIFT Panchkula and prominent Fashion Institute from France can be explored**
- **Collaboration in the other area may also be pursued such as**
 - Food Processing
 - Skill Development, Student & Faculty Exchange
 - Sports and Youth Development

Investment Opportunities

1. The **KMP expressway of 135 Km across Kundli, Manesar and Palwal abutting Delhi from 3 sides has been developed**. In addition, a Global Economic Corridor, which is proposed to be developed alongside the expressway is estimated to have an investment potential of USD 50 billion (INR 3,72,000 Cr.).
2. Domestic Airport at Hisar was inaugurated by Hon'ble Chief Minister, Haryana on 15th August 2018. Further, as part of **Integrated Aviation Hub, over 7200 acres of land in IAH Hisar will be utilised for industrial development** to provide facilities such as warehousing, cargo, MRO/FBO facilities, training and simulation centre, Aerospace University and aerospace/ defence Manufacturing Park.

3. Haryana Government has developed state-of-the-art **industrial and Commercial Township of nearly 3,300 acres of land near Kharkhoda (Sonipat) and Industrial Model Townships (IMT) at Sohna of about 1400 acres.** These townships will be in the vicinity of KMP Expressway as will connect the Gurugram-Sohna-Alwar highway, thus will help in the development of the industrial corridor with world class facilities.
4. Government of Haryana is working on the development of 5 cities of approx. 2,50,000 ha area along KMP corridor as a part of “Panchgram” vision. To fast track the progress, Panchgram authority is being constituted.
5. The State Govt. is also developing Integrated Multi Model Logistics Hub (IMMLH) in Narnaul, Mahendragarh, on an area spreading over 1000 acres in collaboration with Delhi-Mumbai Industrial Corridor Project (DMIC) with proposed project cost of USD 1 Billion (INR 7,442 Cr.).
6. The state has started implementation of early bird projects like **Global Smart City at Gurugram with an investment potential of USD 15 Billion (INR 1,11,630 Cr.) and Mass Rapid Transit System (MRTS) under DMICDC.**
